WITHINGTON GOLF CLUB

# Junior Newsletter Winter 09

## Calling All Juniors!

As the new golf club year begins, we welcome you to the first edition of the Withington Junior newsletter and also wish the new Junior Captain Iain Stewart the best of luck for the year ahead.

We are looking to build on the existing junior membership and develop a vibrant and successful section that is recognised and valued throughout the club.

As junior members and readers of this newsletter you are ideally placed to help the golf club increase its junior membership, something which will both benefit you as existing junior members and the club.

Increasing junior membership has many benefits and you can help:

- Invite friends from other clubs .
- Encourage friends and family who don't play to give golf a try.
- Lookout for open days, group practice lessons at both WGC and a local driving range.
- Please contact a member of the junior committee to discuss any ideas or related issues you think would help us to improve the junior section.

The benefit of adding more juniors to the club can only benefit Withington Golf Club in the long term. It will ensure we have a strong showing in the Mersey Competitions. We also aim to introduce more junior social events and a junior captains event during the season.

Hopefully with your help Withington Golf Club can create a strong junior setup which will continue long into the future .

Merry Christmas and a Happy Golfing New Year.

### Captain's Comments

I and my 'Moe' Captain Jamie are really looking forward to the golfing season ahead.....There will be plenty of lessons, comps and team games but most of all fun.

There is a great event coming up on Boxing Day, 'The Texas Scramble' I was lucky enough to be in the winning team last year . I can tell you its a fabulous event , so go ahead and book your place(with Steve in the pro shop).

Hope to see you all soon .....Iain

### Christmas Competitions

We know the Christmas holidays can be boring at times and we would encourage all junior members to use the Withington facilities as much as possible. In particular on Boxing Day when juniors are openly invited to join in and compete in the annual Boxing Day Texas Scramble , this is always a great event and the atmosphere is festive and

fun. A junior winter competition has been arranged for SUNDAY 3RD JANUARY, this will be a Texas Scramble format. There will be a meet and greet/Prize presentation afterwards with light refreshments. We look forward to seeing many of you at these events Online Booking is available for both events..

### WGC Online!

Watch this space , as in early 2010 Withington Golf Club is going online with a junior section facebook group, it will highlight many of the same issues and events as the news letter however will be accessible 24/7. A junior section page within the club web site is also planned. Please visit [www.withingtongolfclub.co.uk](http://www.withingtongolfclub.co.uk)

### Diary Dates

- Saturday December 26th (Boxing Day) Online Booking Available
- Sunday January 3rd - Winter Competition and Prize Presentation @ WGC , 12:00pm Online Booking available, or contact the secretary.
